<p>1. Plan #34 filed 03/18/24 cannot be recommended because Debtor's delinquency has caused the plan to be deficient. Cameron County will be paid more in interest since the payments were behind. The plan only provides for a payment of \$131.00 to the general unsecured creditors.</p> <p>2. Debtor is 1.02 months delinquent, totaling \$483.00 through May with the next payment coming due on June 20, 2024. Debtor's attorney informed the Trustee that the employer was not timely sending in payments. The Trustee's Office has reached out to the employer via mail and phone. The representative from the employer stated that she could not speak to us without her supervisor's permission and has not returned our calls since then. Trustee requested Debtor's paystubs to measure what amount might be missing. On June 13, 2024, Debtor submitted the February 1st through April 16th paystubs. Trustee appears to still be missing the April payroll deductions and the second May deduction. Another phone call was placed to the employer to inquire about these payments.</p> <p>3.
