A proof of claim for 2022 taxes was not filed. The 2022 taxes were added through a post-confirmation modification, which was verified with a copy of Debtor's 2022 tax return. (See Docket Nos. 68,77,79, 93 & 95). On October 1, 2024, the Trustee received a letter from Department of the Treasury Internal Revenue Service stating that the Debtor has no outstanding tax liability and to cease further payments. Therefore, the Trustee filed this motion to reallocate distributions. Thereafter, Trustee's Office was informed by the IRS that the payments were returned because no money was owed for 2020 taxes. The Trustee's Office explained that the payments were for the 2022 return, not 2020 taxes. On 03/24/25, the IRS representative informed the Trustee that no returns have been filed for the years 2021, 2022, 2023 or 2024 and therefore the IRS is unaware of what may be owed for any of those years. The Trustee's office has again requested that the Debtor's attorney ensure that the 2022 tax return is filed with the IRS.
